

Reversible Pendleton Wool & #1054 Princess Layer Vest Pattern

The package arrives!

Pattern preparation.

Testing seam finishes.

The light side...

The dark side.

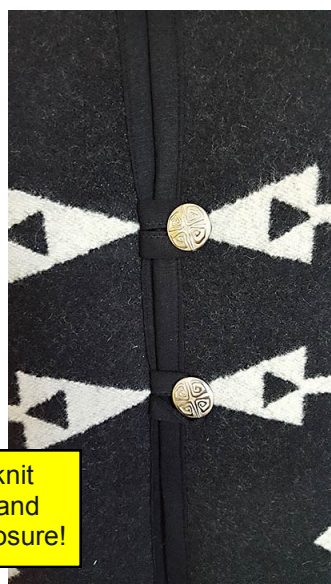

Exposed seam on light side with two-thicknesses of thread in the upper looper of my serger.

Stitched down seam allowances from the light side become topstitching on the dark side.

Edges finished with knit binding and buttons and loops for the easy closure!

It's always a joy to work with fabrics from the Pendleton Woolen Mill Store.
Superb quality and ease of use!
